Based on the vision articulated by Shaheed Zulfikar Ali Bhutto of a self-reliant Pakistan, SZABIST University was established in 1995 to offer a path to high quality education, knowledge, research and holistic development.

Taking forward the mission of our Founding Chancellor, Shaheed Mohtarma Benazir Bhutto, SZABIST University has come a long way and is today recognized as one of the best business schools in the country by the Higher Education Commission (HEC) of Pakistan. SZABIST University is also rated as an "Outstanding" institution by the Charter Inspection and Evaluation Committee (CIEC), Government of Sindh.

SZABIST University offers a nurturing environment where students can advance not only their capabilities and strengths to achieve their educational, professional and personal aspirations but also develop their interests and engage in a range of exciting co-curricular and extra curricular activities by joining clubs and societies.

This Handbook is designed to help you, the students, to familiarize you with SZABIST University's policies and procedures, to make your experience as a student both rewarding and successful.

I congratulate you on your decision to become a part of SZABIST and I welcome you on a journey enriched with learning and discovery.

Dr. Azra Fazal Pechuho
Chancellor
SZABIST University

WELCOME MESSAGE BY THE PRESIDENT

It gives me immense pleasure to welcome you to the Shaheed Zulfikar Ali Bhutto Institute of Science and Technology University. Over the past many years SZABIST University has made remarkable progress in strengthening our market reputation nationally and internationally. This is evident from the increased enrollment in our six campuses (Karachi, Larkana, Hyderabad, Islamabad, Ghara and Dubai), expansion in the academic programs and high quality credentials. The recent addition of our Ghara Campus has extended our outreach to several districts in lower Sindh.

At SZABIST University, we provide students with market relevant and skill-based education, enabling them to become responsible citizens and simultaneously productive members of Pakistan's society and economy.

SZABIST University maintains a high standard of education; we place a priority on highly qualified faculty and professionals who provide a rigorous, conducive and supportive learning environment. In addition to a wide spectrum of disciplines, exciting opportunities for co-curricular activities are also available. Student Societies organize a range of sports, arts, music, debate, drama and other activities. Guest speaker sessions, workshops and networking with our Alumni and renowned companies for assistance in job placements are also part of a student's life at SZABIST University.

Education at our University is one of the best investments for a successful professional career. We encourage our students to work hard and strive for excellence in every aspect of their academic career.

A warm welcome all our students to Academic year 2025 at SZABIST University, Karachi Campus.

Shahnaz Wazir Ali
President
SZABIST University

WELCOME MESSAGE BY THE VICE PRESIDENT ACADEMICS

A great leader Mr. Nelson Mandela said: "Education is the most powerful weapon which you can use to change the world."

SZABIST University has seen exponential growth in its programs, students, and physical infrastructure since its inception in 1995. This could be possible with the full support of its Management, especially of its worthy Chancellor, Dr. Azra Fazal Pechuho.

The whole purpose of education is to create "Analytical Minds". As a responsible institution, we just don't believe in classroom studies but believe in complete personality development. Our various students' societies are quite active, the purpose of which is to provide the students a platform to lead and learn to be a great team player by giving them opportunities to arrange different

curricular and extra-curricular activities, which makes them good leaders globally competitive, morally upright, and well-rounded, disciplined individuals.

We at SZABIST University call our students our "Products" not our "customers" as we run our institution professionally not commercially. To facilitate the students getting internships, scholarships, and job placement, we have proper departments that regularly invite leading companies and students for "Recruitment Drives". We also periodically organize "Job Fairs" at our campus. Due to these efforts put in by our highly professional Faculty, 90% of graduates manage to get jobs within the first three months of their graduations.

SZABIST University now has five campuses in Karachi, Islamabad, Larkana, Hyderabad and Gharo. Karachi campus is the mother campus having more than 8000 students enrolled in its 40-plus academic programs in Management Sciences, Computer Science, Social Sciences, Media Science, Life Sciences, Education, Mechatronic Engineering, and Law. Our three-year LLB program is offered in collaboration with the University of London.

SZABIST University programs comply with HEC recommended course plans and are accredited by regulatory bodies such as NBEAC, NCEAC, PEC, NACTE, and CIEC. The learning outcomes of the programs ensure to create critical & creative thinking, acquire problem-solving skills, and professionally handle all pedagogical tools. We are fully aware that a University without Research is like a "Body" without a "Soul"; therefore, we emphasize research activities at all levels of our programs.

Finally, I thank all the newcomers for choosing SZABIST University for their academic pursuits and wish them a happy stay during the entire period of their course of studies. I expect, as SZABISTian, you will show a high level of maturity through your conduct and actions.

Prof. Dr. Mohammad Altaf Mukati

Vice President (Academics)

STUDENT SUPPORT SERVICES

Student Support Services

For more than a decade (2009-to date), the main campus of SZABIST University has been fortunate to have a unique and diverse student body with a healthy record of activities and a proud history of achievements. Since 2014, with the establishment of the Department of Student Support Services a more organized and focused approach has been adopted with the aid of student advisory policies and guidelines for activities in the form of standard operating procedures and financial prudence guidelines with emphasis on paperwork and documentation/reports for record keeping all of which added much needed structure to student activities at the institute.

In 2015, the same system was gradually introduced at other campuses of SZABIST University and by now they have all had annually elected student council bodies.

Vision of Student Support Services

We aim to provide students with a platform that allows them to conduct activities which work towards the development of a stronger, wiser and a more united student populace in Karachi. It works to inculcate in young minds the values of unity, tolerance, inclusion and leadership and through engagement with other campuses of SZABIST University and universities across the country realize the objectives of our core areas of focus, nationally as well.
